

CCTV Now

Effortlessly request and receive local authority CCTV footage

CCTV Now enables police officers to request and receive large CCTV video files securely from local councils and other sources of public realm CCTV. It streamlines the transfer of crucial CCTV footage in minutes, enhancing investigative efficiency and reducing operational hurdles

Why Local Authorities use CCTV Now

Supporting local authorities in improving efficiency, reducing costs and enhancing communication with the police by streamlining the transfer of CCTV footage.

Save travel time & costs when supplying CCTV.

View CCTV video clips securely online.

Receive large CCTV files directly to your dashboard.

Full digital paper trail for audit and compliance purposes.

Automatic video file conversion into MP4.

All data stored securely in the UK data centre.

“We know CCTV is crucial for police work, and we’ve worked closely with Durham Constabulary and SentrySIS to speed up the transfer process. This collaboration ensures quicker access to vital footage, helping officers respond faster, improve investigations, and gather crucial evidence more efficiently.”

Adrian White, Head of transport & contract services, Durham County Council

Find out how SentrySIS can help streamline your operations and save you time and money.
