

CollisionReport

Make reporting a road accident easy by giving the public a fast online way to report a collision. CollisionReport captures all the information required and sends it on to the police for review. It reduces the need for police involvement, saves time and is more convenient for the public.

- ⚡ Deliver a more efficient police service
- ⚡ Quicker assessment and evaluation of road collisions
- ⚡ Reduce police demand
- ⚡ Eliminate police fuel and travel costs
- ⚡ Fully paperless cloud solution
- ⚡ Increase efficiency through technology
- ⚡ Free up officers and deploy elsewhere
- ⚡ All data securely stored in the UK
- ⚡ Reduce carbon footprint and become greener
