

# ConnectLive

Connect users from across the SentrySIS platform through video and real time messaging. Live Chat, share video and multimedia intelligence. Activate live video feeds and spark collaboration in day-to-day activities, ongoing projects and important meetings. ConnectLive helps police constabularies, national retailers and BCRPs to improve communication and reduce crime.

- ⚡ Reduce meeting time with a fully encrypted video stream for up to 25 people
- ⚡ Send and receive multimedia files direct to your mobile for instant review and analysis
- ⚡ GDPR compliant instant messaging with colleagues, contacts and system-wide users
- ⚡ Reduce dependency on third party communication and messaging apps (e.g Whatsapp, Zoom and Microsoft Teams)
- ⚡ Fully integrated into your SentrySIS installation so data never goes missing
- ⚡ Create message conversations with individuals or personal pre-selected groups
- ⚡ Access via the SentrySIS app or a simple interface on web platform
- ⚡ System admin features help everyone stay abreast of system wide communications

*“We use ConnectLIVE to support 115 partnership members reaching over 20,000 retailers. We can disseminate timely, accurate information, reducing crime in our members’ premises”*

David Wilson, Executive Board Member of the National Association of Business Crime Partnerships (NABCP)
